Thanks for Joining us on the NE MT Treasure Trail !

Look for the Pink Balloons and signs!

If you attend a sale that is not on a list, Please encourage them to be on the list next year.
It's you the buyers that make this a successful event.

THANK YOU to the **Sheridan County Chamber** and all the **sellers** that contribute to making this a GREAT EVENT!!

This is ran by Volunteers and all fees go to promoting it.

We have tried to get everything correct if there is a mistake let us know by calling or texting Diane 406-765-7337. (We are Human)

We are trying a new thing. We will list all of the sales on an app called **gsalr.com(Garage sales by Map)or you can use your browser.** It is free with ads and will direct you on a map where to find them. Our sales will be **NE MT Treasure Trail # then the number on the list**. If you decide to do the $4.99 you will not have all the ads but make sure it charges the correct $ amount. I noticed the 1 month and lifetime are flipped. It will help map out the sales on your device, I have tried it in bigger towns and it has made it easier. Our plan is to have it done by Fri.
